 - Schedule specific times to remotely start vehicle
 - Locate parked vehicle
 - Check vehicle status
 - 4G LTE Wi-Fi hotspot connects up to 10 devices⁴

Note: Ford Telematics™ and Data Services Prep included for Fleet ONLY; FordPass™ Connect 4G Wi-Fi Modem provides data to support telematics and data services including but not limited to vehicle location, speed, idle time, fuel, vehicle diagnostics and maintenance alerts. Device enables telematics services through Ford or authorized providers. Activate at www.fleet.ford.ca
- USB Port – One (1)

³ FordPass Connect, the Ford Pass App, and Complimentary Connected Services are required for remote features (see FordPass Terms for details). Connected Service and features depend on compatible Bell network availability. Evolving technology / cellular networks / vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

⁴ The Wi-Fi hotspot includes a trial subscription of three months or three gigabytes – whichever comes first. After the trial subscription, a wireless service plan is required for Wi-Fi hotspot. FordPass is available on the App Store® or Google Play™. App Store® is a service mark of Apple, Inc. Google Play™ is a trademark of Google, Inc.

¹ Fleet Only² Includes a three (3)-month prepaid subscription.³ Trial length and service availability may vary by model, model year or trim.

Details: SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-888-539-7474. See SiriusXM Customer Agreement for complete terms at www.siriusxm.ca. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.
