Here's the Tacoma SR5 4x4 Access Cab V6 Engine 6-Speed Automatic Transmission 6-Ft. Bed **YOU BUILT**

Starting MSRP:* \$35,395.00
Tacoma SR5

Delivery, Processing and Handling Fee: \$1,335.00

Tacoma SR5 4x4 Access Cab V6 Engine 6-Speed Automatic Transmission 6-Ft. Bed

Options: \$0.00
16-In. Black Alloy Wheel
50 State Emissions

Total MSRP:*** \$36,730.00

* MSRP excludes the Delivery, Processing and Handling Fee of \$1,025 for Cars (GR 86, Avalon, Avalon HV, Camry, Camry HV, Corolla, Corolla HB, Mirai, Prius, Prius Prime, and Supra), \$1,215 for Small/Medium Trucks, SUVs and Van (4Runner, C-HR, Highlander, Highlander HV, RAV4, RAV4 HV, RAV4 Prime, Sienna, Tacoma, Venza, and Corolla Cross), \$1,495 for Large SUVs (Sequoia, Land Cruiser), and \$1695 for Large Truck (Tundra). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. The published prices do not apply to Puerto Rico and the U.S. Virgin Islands. Actual dealer price will vary. ** EPA-estimated or projected EPA-estimated¹ mpg rating. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. *** Manufacturer's Suggested Retail Price, includes the Delivery, Processing and Handling Fee. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. EXTERIOR

Fiber-reinforced Sheet-Molded Composite (SMC) inner bed with steel outer panels, storage compartments and rail caps, with easy lower, lockable and removable tailgate

6-ft. Standard Bed

16-in. dark gray alloy wheels with P245/75R16 tires

Integrated color-keyed tailgate spoiler

Charcoal grille with chrome surround, color-keyed heated power outside mirrors, door handles and chrome rear bumper (V6 adds color-keyed overfenders)

Variable intermittent windshield wipers with mist cycle

Skid plate(s): on engine/front suspension

Projector-beam headlights with turn Daytime Running Lights (DRL) and integrated fog lights

Deck rail system with four adjustable tie-down cleats and four fixed cargo bed tie-down points

Sliding rear glass with privacy glass

INTERIOR

Analog instrumentation with speedometer, tachometer, coolant temperature and fuel gauges; 4.2-in. color Multi-Information Display (MID) with outside temperature, odometer, tripmeters and average fuel economy

Leather-trimmed tilt/telescopic steering wheel with audio and *Bluetooth*^{®10} hands-free phone controls

Remote keyless entry system with lock, unlock and panic functions

Power windows and door locks

Front dual zone automatic climate control with air filter and individual temperature settings for driver and front passenger

Three total USB ports: one USB media port, two USB charge ports¹¹

Auto-dimming day/night rearview mirror

Fabric-trimmed seats; 10-way power-adjustable driver's seat including 2-way lumbar support; 4-way adjustable front passenger seat

SAFETY/CONVENIENCE

Toyota Safety Sense™ P (TSS-P):¹² Pre-Collision System w/Pedestrian Detection (PCS w/PD),¹³ Dynamic Radar Cruise Control (DRCC),¹⁴ Lane Departure Alert,¹⁵ Automatic High Beams (AHB)¹⁶

Class-IV towing hitch receiver,⁸ ATF cooler (not available on manual transmission), engine oil cooler, power steering cooler, 130-amp alternator, 4- and 7-pin connector with converter, and Trailer-Sway Control (TSC)⁹(V6 only)

Driver and front passenger Advanced Airbag System¹⁷

Star Safety System™—includes Vehicle Stability Control (VSC),¹⁸ Traction Control (TRAC), Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD), Brake Assist (BA)¹⁹ and Smart Stop Technology® (SST)²⁰

Driver and front passenger active headrests²¹

Tire Pressure Monitor System (TPMS)²² with individual tire location alert

Engine immobilizer²³

Driver and front passenger seat-mounted side airbags, driver and front passenger knee airbags and front and rear Roll-sensing Side Curtain Airbags (RSCA)¹⁷

LATCH (Lower Anchors and Tethers for CHildren) includes lower anchors for front passenger seats on Access Cab and outboard rear seats on Double Cab

AUDIO MULTIMEDIA

Audio—includes 8-in. touchscreen, six speakers, Android Auto™²⁴ & Apple CarPlay^{®25} & Amazon Alexa²⁶ compatible, hands-free phone capability and music streaming¹⁰ via *Bluetooth*^{®10} wireless technology, SiriusXM^{®27} with 3-month Platinum Plan trial subscription.²⁸ See toyota.com/audio-multimedia for details. Connected **Services** [29]—Safety **Connect**[®] [30] with 1-year trial, [31] Wi-Fi **Connect**[®] with up to 2 GB within 3-month trial.³²

Warranties

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components for hybrid vehicles are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable Owner's Warranty Information booklet for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable Owner's Warranty Information booklet for details.

Accessories: For accessories purchased at time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months or 36,000 miles (whichever comes first) from the vehicle's in-service date, which is the same coverage as the Basic coverage of the Toyota New Vehicle Limited Warranty.

For dealer-installed accessories purchased after the new vehicle purchase, the coverage is 12 months or 12,000 miles (whichever comes first) from the date the accessory was installed on the vehicle, or the remainder of the above 36 months or 36,000 miles Basic coverage from the vehicle's in-service date, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

For customers (non-dealer) installed accessories purchased after the new vehicle purchase, the coverage is 1 months of 12,000 miles (whichever comes first), from the purchase date of the accessory.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

TOYOTA CARE

ToyotaCare

Covers normal factory scheduled service. Plan is 2 years or 25K miles, whichever comes first. The new Toyota vehicle cannot be part of a rental or commercial fleet, or a livery or taxi vehicle. See plan for complete coverage details. See participating Toyota dealer for details.

2. 2022 projected EPA-estimated mpg rating estimates as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 3. MSRP excludes the Delivery, Processing, and Handling Fee of \$1,095 for Cars (GR86, Avalon, Avalon HV, Camry, Camry HV, Corolla, Corolla HV, Corolla HB, GR Corolla, Mirai, Prius, Prius Prime, GR Supra), \$1,335 for SUV/Van/Small Truck (4Runner, bZ4X, C-HR, Corolla Cross, Corolla Cross HEV, Highlander, Highlander HV, RAV4, RAV4 HV, RAV4 Prime, Sienna, Tacoma, Venza), \$1,595 for Large SUV (Sequoia), and \$1,795 for Large Truck (Tundra). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure and may be subject to change at any time. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. The published prices do not apply to Puerto Rico and the U.S. Virgin Islands. Actual dealer price will vary. 4. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. 5. Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See Owner's Manual for additional limitations and details. 6. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 7. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb. 8. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. [36] Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See Owner's Manual for limitations. 9. Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 10. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 11. May not be compatible with all mobile phones, MP3/WMA players and like models. 12. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details. 13. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner's Manual for additional limitations and details. 14. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. DRCC not available on manual transmissions. See Owner's Manual for additional limitations and details. 15. Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details. 16. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details. 17. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details. 18. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 19. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details. 20. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details. 21. Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 22. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for additional limitations and details. 23. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 24. Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/auto/>. Requires compatible smartphone connected with an approved data cable into the USB media port, and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android, Android Auto and Waze are trademarks of Google. Some vehicles are shown with available equipment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information in this eBrochure is based on data available at time of posting, is subject to change without notice and pertains specifically to continental U.S.A. vehicles only.

Disclaimers

25. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. 26. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota app and Toyota+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps and services subject to change at any time without notice. To learn more, go to <https://www.toyota.com/audio-multimedia>. To learn more about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 27. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 28. SiriusXM trial length and service availability may vary by model, model year or trim. 29. Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in Owner's Manual and <https://www.toyota.com/connected-services/> for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. 30. Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Toyota app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in Owner's Manual and at toyota.com/connected-services for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 31. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. 32. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. 33. Installed MSRP is the Manufacturer's Suggested Retail Price for accessories installed by the manufacturer. Actual prices for dealer installed accessories may vary. Please see your local Toyota dealer for pricing. Prices and product availability are subject to change without notice. 34. Installation not included. See your local Toyota dealer for installed pricing. Prices and product availability are subject to change without notice. 35. Disclaimer of Warranty and Liability: This product is not a Genuine Toyota part or accessory and was not designed or manufactured by Toyota. Toyota has not fully evaluated this product to determine its overall impact on the performance or safety of any Toyota vehicle onto which it is installed or to determine whether installation would render the vehicle illegal for operation on public roadways in any states. Installation of this product may impact your vehicles' warranty. This product is not warranted by Toyota, and Toyota expressly disclaims any warranty for this product, including without limitation, any implied warranties of merchantability and of fitness for particular purpose. Toyota also disclaims all liability for direct, indirect, special, incidental, or consequential damages, including but not limited to, damage to or loss of personal or commercial property, loss of use, cost of purchase of replacement goods, or claims of customers of any Toyota dealer that result from the use of this product. This product is not available in Hawaii. Shipping charges not included.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information in this eBrochure is based on data available at time of posting, is subject to change without notice and pertains specifically to continental U.S.A. vehicles only.
