

"Congratulations on the purchase of your new Ford! We hope you will have many happy miles of driving. Did you know you can enhance your Ford experience even more with our Ford Experience Subscriptions? Why not take advantage of all the technology built in to your new Ford by subscribing to one of our monthly premium offers?

To get you started, we are offering our best bundle **free** for a 30 day trial, after which monthly charges will automatically be applied and auto renew each 12 month period. You may cancel at any time, and the features in the package you have selected will no longer function.

The fabulous features you can access are listed below. Again, thank you for choosing Ford!"

- **Standard package:** fore and aft manual seat control, heater & defroster, rear defroster, AM Radio. Free for 3 years or 36,000 miles, \$2.99/mo thereafter
- **Level I upgrade:** all standard pkg features plus; Activate Sync 4, 6-way power driver's seat, FM Stereo, Sirius XM satellite radio access, heated mirrors \$9.99/mo
- **Level II upgrade:** All of the above, plus; Activate heated seats, heated steering wheel, 8-way power driver & passenger seats ambient lighting, power to sunroof or locking tailgate where applicable. \$39.99/mo
